What social media do you use (Facebook, Instagram, etc)?

Are you familiar with the major programs the District offers? Mark items

- Curbside Recycling
- Household Hazardous Waste/5-in-1 Collections
- Electronics Recycling
- Compost/Green Waste Sites
- Battery/Printer Cartridge Recycling

Do you use all of these programs?

If not, why not?

Where do you think you are right now in regards to your interest in recycling? Mark choice

- After I put out my trash can/recycling bin, I don't really think about it anymore.
- I'm interested in proper recycling, but I don't have time to separate everything.
- I am willing to spend a little time to make sure things are recycled properly.
- I am a hardcore recycler and also reduce and reuse items whenever possible.

What materials do you recycle?

Why do you feel it is important to recycle?

What do you want to learn from this class?
